

NGĀHINAPŌURI NEWSLETTER

Term 4 Week 3 2024 Issue 33

Principal's Message

Tena koutou Ngāhinapouri Whanau,

We had an awesome day at Athletics on Wednesday. We rolled the dice with the weather and came up with the goods. Sure we had a half hour downpour of torrential rain and hail but that was only a minor inconvenience during our morning tea break. The athletics day itself was full of sunshine and positive vibes.

Thank you to everyone who was able to come down and spend the day with us. Your support was amazing and we really appreciate your time as without you we could not put these events on for our kids. Our children were amazing on the day. They were so supportive of everyone and they all gave every event their absolute best. The squad for the Lower Waipa event will be put together over the next few days so we can organise transport for the event on next Friday the 8th of November.

Hall Carpark

We have had a community member come forward concerned about the way people are leaving the hall car park. They say often cars do not look when they drive out of the car park which has caused some near misses on a number of occasions. on Holmwood Drive .

Start Date 2025

Our school will be open for the first day of school next year on the **3rd of February**

Teacher Only Day

We will be having an MOE directed teacher only day on the **22nd of November** this term. The reason for this allocated day is to upskill our team on the changing mathematics curriculum and resources we will have to use in 2025.

Nga mihi,
Mark
